Why the USPS?

USPS is the largest residential delivery network in the nation and delivers 6 days a week. Most deliveries take 1-3 days and at the best rate!

Our goal is to enable SMBs the ability to compete with larger organizations on price and logistics.

USPS delivers for you!

- Largest residential delivery network
- Delivers 6 days a week
- 1- 3 day delivery in US
- Secure: federally protected
- Free packaging
- No residential delivery fee
- No fuel surcharge

Our portfolio of logistics companies also includes:

International Shipping Solution

We have partnered for almost a quarter century with DHL, the world's largest logistic provider, to provide a sales presence nationwide.

Our close relationship with DHL Express allows us to offer aggressively competitive rates while providing unparalleled customer service. Preferred Shipping's value proposition centers around reduced shipping rates, best customer care, and state of the art technology. We value all three.

North America Trucking Solution

Preferred Logistics provides a single point of contact for all of your trucking needs. With more than 20 years of experience, you can trust our extensive infrastructure to move your shipments anywhere. We specialize in flatbeds, stepdecks and specialized or project freight.

Like all of the Preferred businesses, customer service is priority #1. We are available to our customers 24/7. Our team is responsive, proactive and competitively priced.
