

IMPORT SERVICE

Simplify your **global** supply chain.

Eliminate local brokers and forwarders with the flexible import services we provide through DHL Express. We can ship documents and packages up to 600 lbs and deliver to any country or receiver.

DHL Import Express is available from or between more than 200 countries.

SIMPLIFIED INVOICING

ALWAYS IN US DOLLARS

We provide on fixed price and point-of-contact for all of your imports. Our volume buying power gets you the best price available.

HASSLE FREE

95% CLEAR CUSTOMS IN TRANSIT

The Preferred Team provides you with customized guidance on your international shipments. From quoting to paperwork, we make your transit as easy as possible.

Optional services include: All-risk Insurance, Packaging, Proof-of-delivery, Proactive tracking, On-demand delivery options and more

Making it easier to do business anywhere in the world.

Customer service and support are the center of our business at Preferred Shipping. Beyond providing you the best shipping solutions in the industry, we provide direct support from choosing packing supplies to customs guidance.

Online Knowledge Center

From packing guides to customs guidance, we provide online resources to quickly answer the most common questions we get. If our resources don't cover it, our team is always available.

Personalized Support

Our team of local shipping experts and customer service agents can advise you on best managing your domestic and international logistics. We learn your specific objectives and provide customized support that will improve your overall shipping program.

Technology and Integrations

We offer an easy web-based platform to manage both domestic and international shipments through multiple carriers. We also integrate with systems like Shopify to simplify your processes.

Talk to a person, not a machine

When you have a shipping question or challenge, you need a response fast! Our team is known for our speedy response, accurate resolution, and hands-on account management.

Customer Centric Pricing

- ✓ Predictable, upfront shipping costs
- ✓ Accurate quoting, without hidden fees
- ✓ Online bill payments
- ✓ Free pickups
